Do you know how to stay safe online? As a school, we want to make sure everyone knows how to protect themselves and each other, when they are using apps on their phone, playing games and messaging their friends.

Download our new Safer Schools NI App for videos, stories, and quizzes on how to stay safe when doing your favourite things on your phone or tablet.

- You can learn how to block, report and mute unfriendly players on games like Roblox, Among Us and Minecraft.

- Get tips on how to set strong passwords and how to set privacy settings on the social media apps you use.

- If you or one of your friends is being bullied, feeling sad or struggling with something, you can go to the Online Safety Help Section for advice and guidance on what to do and how to get
